

**Parish Councillor:  
Barbara Weeden**

**Elected: May 2021**

**Committee Member: Strategy, Administration and Projects Committee,  
Personnel Committee and Community and Sports Centre Committee**

I was born in London and moved to Hawkhurst in 1977, to get away from the traffic – little did I know.

I worked at Sainsbury's in their London headquarters in Architect and Engineers Department and retired in 1994.

I have been a Parish Councillor since 2000 and have been a strong supporter of village issues such as: developing the current Hawkhurst Primary School, the social housing at Heartenoak, The Kino and a new community centre.

As a Parish Councillor I believe in putting the village first and seeking to retain the Hawkhurst spirit – the vibrant village that I first moved too.
