

**Parish Councillor:
John Hunt**

Elected May 2021

**Committee Member: Facilities and Services Committee, Planning Committee
and Community and Sports Centre Committee**

I moved to Hawkhurst when the company I was working for at the time, Letraset, moved to Ashford in 1972 and I have lived in the village ever since.

I joined the Parish Council and the Scout Group soon afterwards and have been involved with both and other village activities since that time.

My main hobbies are photography and Scouting and I also drive as a volunteer for the hospital car service.
